Architectural Changes Approval Form

Instructions:

Please complete this form. Attach site plans or drawings of proposed modifications to the existing property. Include paint swatch (if applicable). You may include photos or magazine pictures as examples.

Please contact one of the board members or leave a message on the voicemail (972.802.0005). After this form and any additional requested information (if needed) are submitted, the Architectural Control Committee will consider the changes in a timely manner. Per the Association Bylaws, please allow 30 days. See Article IX of the Bylaws for more information regarding the HOA Architectural Control procedures.

For your protection, inquire with either the city or the county about permit requirements before starting any work on your property involving new construction, additions, alterations, or any modifications to structural, electric, heating, water, gas, or sanitary plumbing systems.
